From Invenio Land Services LLC

"Invenio Land Services, LLC, a Maine-based small business, brings over 20 years of Right of Way expertise across transportation, energy, and telecom projects. Our team is committed to building strong client relationships through exceptional customer service and trust. We offer a deep understanding of landowner relations, public awareness, and the technical, legal, and regulatory requirements essential for project success. Dedicated to responsible project management, clear communication, and professionalism, we partner with clients to deliver successful outcomes that benefit all stakeholders. Choose Invenio Land Services for a reliable partner in managing your Right of Way needs with precision and care."
